20 Sec. 3861.003. PURPOSE; LEGISLATIVE FINDINGS. (a) The
21 creation of the district is essential to accomplish the purposes of
22 Sections 52 and 52-a, Article III, and Section 59, Article XVI,
23 Texas Constitution, and other public purposes stated in this
24 chapter. By creating the district and in authorizing the city and

1 other political subdivisions to contract with the district, the
2 legislature has established a program to accomplish the public
3 purposes set out in Section 52-a, Article III, Texas Constitution.

4 (b) The creation of the district is necessary to promote,
5 develop, encourage, and maintain employment, commerce,
6 transportation, housing, tourism, recreation, the arts,
7 entertainment, economic development, safety, and the public
8 welfare in the district.

9 (c) This chapter and the creation of the district may not be
10 interpreted to relieve the city or Tarrant County from providing
11 the level of services provided as of the effective date of the Act
12 enacting this chapter to the area in the district. The district is
13 created to supplement and not to supplant the city and county
14 services provided in the district.

15 Sec. 3861.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.

16 (a) The district is created to serve a public use and benefit.

17 (b) All land and other property included in the district
18 will benefit from the improvements and services to be provided by
19 the district under powers conferred by Sections 52 and 52-a,
20 Article III, and Section 59, Article XVI, Texas Constitution, and
21 other powers granted under this chapter.

22 (c) The creation of the district is in the public interest
23 and is essential to further the public purposes of:

- 24 (1) developing and diversifying the economy of the
25 state;
26 (2) eliminating unemployment and underemployment;

4 (1) promote the health, safety, and general welfare of
5 residents, employers, potential employees, employees, visitors,
6 and consumers in the district, and of the public;

7 (2) provide needed funding for the district to
8 preserve, maintain, and enhance the economic health and vitality of
9 the district territory as a residential community and business
10 center; and

11 (3) promote the health, safety, welfare, and enjoyment
12 of the public by providing pedestrian ways and by landscaping and
13 developing certain areas in the district, which are necessary for
14 the restoration, preservation, and enhancement of scenic beauty.

15 (e) Pedestrian ways along or across a street, whether at
16 grade or above or below the surface, and street lighting, street
17 landscaping, parking, and street art objects are parts of and
18 necessary components of a street and are considered to be an
19 improvement project that includes a street or road improvement.

20 (f) The district will not act as the agent or
21 instrumentality of any private interest even though the district
22 will benefit many private interests as well as the public.

23 Sec. 3861.005. DISTRICT TERRITORY. (a) The district is
24 composed of the territory described by Section 2 of the Act enacting
25 this chapter, as that territory may have been modified under:

26 (1) Section 3861.107; or

27 (2) other law.

1 (b) A mistake in the field notes of the district contained
2 in Section 2 of the Act enacting this chapter or in copying the
3 field notes in the legislative process does not in any way affect:

4 (1) the district's organization, existence, or
5 validity;

6 (2) the district's right to contract, including the
7 right to issue any type of bond or other obligation for a purpose
8 for which the district is created;

9 (3) the district's right to impose or collect an
10 assessment, tax, or any other revenue; or

14 included in:

15 (1) a tax increment reinvestment zone created by the

17 (2) a tax abatement reinvestment zone created by the
18 city under Chapter 312, Tax Code; or

19 (3) an enterprise zone created by the city under
20 Chapter 2303, Government Code.

21 (b) If the city creates a tax increment reinvestment zone
22 described by Subsection (a), the city and the board of directors of
23 the zone, by contract with the district, may grant money deposited
24 in the tax increment fund to the district to be used by the district
25 for the purposes permitted for money granted to a corporation under
